

Mentoring for Success with DCS

The Division on Corrections & Sentencing

I-on-I Mentorship Program with Four Tracks

Academia:

1. Student mentoring track
2. Tenure-track faculty mentoring track

Alternatives to Academia:

1. Student mentoring track
2. Early career mentoring track

Connections will be made based on individual goals and/or interests. Participants can expect to receive/provide:

Research support
Teaching support
Progress-specific guidance

Service support
Networking guidance
Navigating the workplace
And, more!

Program timeline: September 2022 - 2023

Mentors/Mentees are expected to **meet virtually at least once per month**. We are asking all mentors participating in this program for a **minimum \$20 annual donation** to the Benjamin Steiner fund to help promote continued student awards and scholarships.

Returning participants: If you wish to continue with the same mentee/mentor, please e-mail Jill Viglione instead of completing the survey.
