*Marguerite Q. Warren
and Ted B. Palmer
Differential Intervention
Award*

The Differential Intervention Award is given to a researcher, scholar, practitioner, or other individual who has significantly advanced the understanding, teaching, or implementation of classification, differential assignment, or differential approaches designed to promote improved social and personal adjustment and long-term change among juvenile and adult offenders. The award focuses on interventions, and on ways of implementing them that differ from “one-size-fits-all,” “one-size-largely-fits-all,” or “almost fits all,” approaches. The recipient’s contribution can apply to community, residential, or institutional populations/environments within or outside of the United States. Nomination packets should include the nominee’s name, affiliation, a CV, and a short description of relevant accomplishments.

Nominations should be sent to Meghan Mitchell, Differential Intervention Award Chair, at mmitchell@und.edu no later than August 31, 2024.

Please put “Differential Intervention Award Nomination” in the subject line.
